SO WHY DO BUSINESS WITH Poly Plastic Products?

- Superior quality control = less than 0.1% of our total production of returns.
- As a custom manufacturer we can produce various sizes of bags, sheeting, tubing, and bundling films with low minimums. Either in LLDPE, LD or HD resins.
- Able to offer alternative resin blends to help reduce costs and improve your profits.
- State of the art equipment and QC lab.
- Competitively priced.
- In house recycling lines that can recover up to 50,000 lbs. a day.
- Experienced sales and customer service representatives, ready to help
- Private label and boxes are available.
- Provide on site support & training.
- Part of Sigma Plastics Group which provides a national footprint for bids & shipping.
- Currently SQF certified in our PA facility.
- Performance Guarantee – we stand behind our product, which means we stand behind you!
