### SO WHY DO BUSINESS WITH Poly Plastic Products?

- Superior quality control = less than 0.1% of our total production of returns.
- As a custom manufacturer we can produce various sizes of bags, sheeting, tubing, and bundling films with low minimums. Either in LLDPE, LD or HD resins.
- Able to offer alternative resin blends to help reduce costs and improve your profits.
- State of the art equipment and QC lab.
- Competitively priced.
- In house recycling lines that can recover up to 50,000 lbs. a day.
- Experienced sales and customer service representatives, ready to help
- Private label and boxes are available.
- Provide on site support & training.
- Part of Sigma Plastics Group which provides a national footprint for bids & shipping.
- Currently SQF certified in our PA facility.
- Performance Guarantee – we stand behind our product, which means we stand behind you!

## Premium Advantage Line

- The PAL series is a value added equivalent program ran with an enhanced proprietary resin blend for improved physical properties & performance.
- Substantial cost savings.
- Environmentally friendly, less plastic in the landfills.
- HD bags are normally 3 times stronger in the MD direction than LLDPE bag.
- Stocking program colors are natural (N) & black (B) as indicated. Custom sizes, stock & label programs available.
- Individually folded bags are available.
- Tubular coreless star seal bottoms.

**Right Size = Environmentally friendly, less scrap**  
**Right Product = Durable Strength with enhanced physical properties**
